Circle Bolt & Nut Co., Inc., As Seen On TV

Kenny Hauk

*Focus
On
Customer's
Ultimate
Satisfaction*

The television production crew filming Kenny and Rick.

Recently the History Channel produced a new show, *Hauk Road*. It focuses on the radical off-road vehicle builds of one of our customers. This relationship has allowed us to have our logo prominently displayed on each episode.

Catch new episodes on Saturday nights at 10:00 PM, and repeated episodes throughout the week.

Sincerely,

James J Castellino

President & CEO
