## Focus On Customer's Ultimate Satisfaction

*We are far more than a standard, off the shelf fastener distributor...*

With our extensive inventory of specialty fasteners and global supplier network, we are positioned to be your #1 choice for everything from ball bearings to waste equipment parts. Please visit our [website](#) for a more complete listing of fasteners and specialty hardware options.

Our specialty product focus includes:

### Fun Facts:

- The “dog days of summer” refer to the weeks between July 3 and August 11 and are named after the Dog Star (Sirius) in the Canis Major constellation.
- The frequency of a cricket’s chirps fluctuates with the temperature. If you count a cricket’s chirps for 15 seconds and add 37, you will have the approx. outdoor temperature (in °F).
