Focus On Customer's Ultimate Satisfaction

Value Added Services

All of our customers get to benefit from our decades of experience in multiple industries along with the wide range of services that we offer. This flexibility allows us to offer services such as:

• Technical Support	• Kitting
• Quick Delivery Response	• Poly-Bagging
• Small Assembly	• Parts Reworking
• Technology Driven Supply Management Programs (VMI/CMI)	• Vending Machines

Whether it's with our fleet of delivery vehicles, the utilization of our professional replenishment teams or the use of our partners' worldwide delivery systems, CBN is dedicated to getting you the parts you want in the manner that best fits your needs. We also have the capability to customize a fulfillment strategy based on what you want through inventory scanning options, VMI (Vendor Managed Inventory) and CMI (Customer Managed Inventory) systems.

Fun Facts:

- James K. Polk was the first president to have his photograph taken while in office.
- Abraham Lincoln often stored things like letters and documents in his tall stove-pipped hat.

Introducing Matthew Miner as CBN's QA/Engineering Manager

Please join us in welcoming Matt Miner to the CBN team. Matt joins the CBN team with over 30 years of Quality/Engineering experience with a variety of industries. He has been involved in driving quality system improvements as well as a number of new product developments throughout his career.

Sincerely,

James J Castellino
